Hitachi Asia Ltd has won 2 awards with SAP in 2007 Business Achiever Award & Over-Achiever Award - SAP Business One

SINGAPORE – January 31, 2008 – Hitachi Asia Ltd, Business Solution Integration Division (BSI), a leading regional systems integrator, has been awarded the ‘SAP SEA Channel Partner Award – 2007 Business Achiever Award & 2007 Over-Achiever Award’. This award is given to partners who achieved and/or over achieved business revenue target set for the year 2007.

SAP Accelerator Awards is an annual SAP Channel Partner Award organized by SAP in rewarding partners who have achieved minimum 100% (for Business Achiever Award) and/or 120% (for Over-Achiever Award) revenue respectively against the business plan target for the year 2007. This award is open to all partners in South East Asia.

SAP® Business One is an affordable, integrated business management solution designed specially for small and midsize businesses (SMBs). For the first time, business owners have a single system built to automate business processes and deliver a true and unified picture of critical, up-to-the-minute business information across customer relationship management (CRM), manufacturing, and finance divisions.

Supported by the strong global network of the Hitachi Group, and drawing on the strengths of the consultant expertise, client-centric solutions and customer support, business owners can better increase profitability and achieve new levels of control through the strategic partnership.

Hitachi BSI looks forward to develop their solution business further, providing quality solutions and services to their customers, and producing more impressive results in the near future.

About Business Solution Integration Division (BSI)
